

JEE Main 2025 – Tie-Breaking Rules

When two or more candidates obtain the same NTA score (percentile) in JEE Main, the following tie-breaking rules are applied sequentially to determine rank:

- 1 Higher NTA Score in Mathematics.
- 2 Higher NTA Score in Physics.
- 3 Higher NTA Score in Chemistry.
- 4 Candidate with lesser proportion of incorrect answers.
- 5 Candidate with lesser proportion of attempted incorrect answers.
- 6 Candidate older in age.
- 7 If tie still persists, the candidates are awarded the same rank.

Note: These rules are as per the standard NTA information bulletin followed in recent JEE Main examinations and are subject to change by NTA.
